

Waltham Executive Briefing Center

The Infinidat Executive Briefing Center (EBC) in Waltham, Massachusetts offers our customers and partners a unique view into Infinidat's culture and technology.

The Infinidat EBC provides our customers and partners with access to key technical resources, product managers, and business executives. Our briefings are planned for each customer, with customized agendas and training specific to that customer's needs.

Our Corporate Solutions Engineering team manages the Infinidat state of the art data center in Waltham, Massachusetts, which is central to the EBC experience. The team of subject matter experts has extensive industry experience in architecture, applications, networks and storage, and leverages that expertise for discussions and hands-on training for customers and partners.

Every customer and partner visiting the EBC has the opportunity to gain hands-on experience across a broad range of Infinidat solutions.

The Infinidat Executive Briefing Center is located at 500 Totten Pond Road, Waltham, Massachusetts 02451

To arrange a visit to the Waltham EBC, please contact your Infinidat Representative or send an email to walthamebc@Infinidat.com
